

LIGHT DUTY AUTO PARTS

AVAILABLE TO POLITICAL SUBDIVISIONS

The WSCA-NASPO cooperative purchasing organization has established contracts for a wide range of light duty auto parts. These contracts are available to state agencies and their political subdivisions. In order to use the contracts, the state must sign a Participating Addendum (PA).

| NAPA Auto Parts | 5-09-99-28 | W/N2014-AUTO-0001 | Yes |

Contract Term: April 30, 2010, through **December 31, 2014**

Placing Orders: Agencies can place orders through the individual NAPA stores listed below. In order to receive the contract discount, make sure to include the state contract number listed above when obtaining quotes and placing orders.

Shipping Charges: All prices under this contract are **F.O.B. Destination**, with all shipping and handling charges paid by the contractor, except for:

- 1) Orders less than \$150.00 that require delivery outside a 30-mile radius of the NAPA store location that is being ordered from.
- 2) When an agency requires expedited or special handling such as overnight service.
- 3) Special order items such as engines or transmissions.

Shipping charges for orders under one of the above three conditions must be clearly identified on the invoice. Responsibility and liability for loss or damage for all orders remains with the contractor until final inspection and acceptance by the ordering agency.
